Rescue Application and Agreement

I, _____, hereby certify that I am a designated officer/agent authorized to sign documents and conduct business on behalf of _____, a 501c corporation founded for the purpose of rescuing and finding homes for abandoned, neglected, and homeless animals. I further understand that the Lewis-Upshur Animal Control Facility is in the process of establishing a list of reputable rescue agencies and other animal welfare organizations that can help at times when the shelter may be in need of assistance in finding homes for their adoptable animals. It is my desire to have our name added to that list so we, along with other approved rescue organizations, can be contacted when there are animals available for rescue or fostering.

As a condition of being placed on the Rescue Organization list, I agree to fully accept all terms and conditions that may apply and to provide the following information requested, including but not limited to names and contact information of veterinarians and other established business references. I further understand that any working relationship between Lewis-Upshur Animal Control Facility and my organization is an at-will business relationship that may be terminated at any time with or without cause.

I further agree that as a condition of this agreement I, my designated agents and board members will refrain from publicly making or posting negative comments or criticism about the Lewis-Upshur Animal Control Facility or its employees or its operational policies on social media networks or other internet sites. If I have comments or criticism, I will report such to the appropriate Lewis-Upshur Animal Control Facility Staff, Supervisor, or Commission representatives.

I further agree to pay, upon receipt of animals, the pull fee that is established with each animal. I accept full ownership of animals that our organization may pull from the Lewis-Upshur Animal Control Facility and to release said Facility from any responsibility for maintenance or actions of the animal. I further agree that any animal received from the Lewis-Upshur Animal Control Facility that is unaltered at the time of receipt will be spayed or neutered either by my rescue or assured through a signed contract with the adopters with whom the animal is placed.
